Town Hall Meeting

Come join in the conversation about how to talk to your children about substance use! The presentation will provide parents and other adults with information about how the legalization of marijuana in our state affects our children's perceptions about substance use, discusses other substances of concern and how to have a conversation with your children regarding the dangers of substance use.

DID YOU KNOW?

57% of Cowlitz County youth ages 12-17 said obtaining marijuana **would be easy.**
